

Release of information from the Maui Police Department as of 10/30/2023.

This list is being provided to the public for review. This is a list of names of individuals that were reported to the Maui Police Department as unaccounted for/missing as a result of the wildfires in Lahaina on August 8, 2023.

If you believe an individual is still unaccounted for and their name is not included on the credible list of names, please contact the MPD at 808-244-6400 or email unaccounted@mpd.net to file a missing person report.

If you are an immediate family member (parent, sibling, or child) of an individual you believe is still unaccounted for, live on Maui, and want to provide a DNA sample to assist with the identification process, please call 808-270-7771. If you live on a neighboring island in Hawaii, other than Maui or outside of Hawaii, please contact the **FBI at 808-566-4300** or reach us at **www.fbi.gov/MauiFires** to receive instructions on how you may provide your DNA in this effort.

(M) Indicates and individual is known to be a minor.

Thank you for your assistance in this matter.
